6 repeat or to take any additional lower-level courses to fulfill bachelor degree
7 requirements in the same major, and these students shall be granted

 2 bachelor of science program that affect lower-division courses, the university
 3 shall notify the Council of Postsecondary Education and the Kentucky
 4 Community and Technical College System of the proposed changes at the same

 7 proposing the change shall enter into discussion with the council and the
 8 Kentucky Community and Technical College System to verify there remains a
 9 clearly defined path to a bachelor's degree for those students who plan to transfer
